

AREA VETERINARY MANAGER POSITION

Leading global animal health company Zoetis, is looking for an Area Veterinary Manager to help in the development and implementation of an enhanced customer service in the North Leinster & Connaught regions of Ireland.

The Area Veterinary Manager will work very closely with our Irish customers in preparing for the ever changing and evolving needs of the Livestock Production sector.

DO YOU HAVE WHAT IT TAKES?

ARE YOU A PRACTITIONER WHO WOULD LIKE A CHANGE, A NEW CHALLENGE?

The successful candidate will be responsible for:

- ✓ **TECHNICAL EXCELLENCE**
Ensure that our scientific service and resources and technical activities create and deliver unparalleled value to our customers.
- ✓ **CREATING RELEVANT CUSTOMER SOLUTIONS**
Understanding our customer needs to create a tailored mix of products, experience and herd health programmes that enhance customer service.
- ✓ **CUSTOMER SUPPORT**
Provide industry leading technical support to Irish vets and farmers.

QUALIFICATIONS

You will have a degree in Veterinary Medicine with a minimum of 3 years' experience in Livestock practise. You must possess a thorough understanding of Irish agriculture and be able to demonstrate excellent communication talents, ability to work on own initiative and as part of a team and have outstanding organization skills.

OUR COMPANY

Zoetis is dedicated to discovering, developing, manufacturing and supplying a diverse portfolio of animal health medicines and vaccines to meet the needs of veterinarians, livestock farmers and companion animal owners. Our Vision is that our products, services and people will be the most valued by animal health customers around the world.

FOR ANIMALS. FOR HEALTH. FOR YOU.
